#### INDEPENDENT AUDITOR'S REPORT ON FINANCIAL STATEMENTS

Board of Education Unified School District No. 232 DeSoto, Kansas

We have audited the accompanying fund summary statement of receipts, expenditures, and unencumbered cash – regulatory basis of the Unified School District No. 232, DeSoto, Kansas as of and for the fiscal year ended June 30, 2018, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the Kansas Municipal Audit and Accounting Guide as described in Note 1; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statement that is free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States, and the applicable audit requirements of the Kansas Municipal Audit and Accounting Guide. Those standards and Kansas Municipal Audit and Accounting Guide require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 1 of the financial statement, the financial statement is prepared by the Unified School District No. 232, DeSoto, Kansas on the basis of the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide*, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

#### Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the "Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles" paragraph, the financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Unified School District No. 232, DeSoto, Kansas as of June 30, 2018, or changes in financial position and cash flows thereof for the year then ended.

#### Unmodified Opinion on Regulatory Basis of Accounting

In our opinion, the financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of the Unified School District No. 232, DeSoto, Kansas as of June 30, 2018, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide* described in Note 1.

#### Other Matters

#### Other Reporting Required by Government Auditing Standards

In accordance with "Government Auditing Standards", we have also issued our report dated October 31, 2018, on our consideration of the District's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control of financial reporting and compliance and the result of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with "Government Audit Standards" in considering the District's internal control over financial reporting and compliance.

#### Supplementary Information

Our audit was conducted for the purpose of forming opinion on the fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances (basic financial statement) as a whole. The summary of regulatory basis expenditures-actual and budget, individual fund schedules of regulatory basis receipts and expenditures-actual and budget, Schedule of receipts and expenditures – nonbudgeted funds, schedule of regulatory basis receipts and expenditures-district activity funds, and summary of receipts and expenditures-agency funds (Schedules 1, 2, 3, 4 and 5 as listed in the table of contents) are presented for purposes of additional analysis and are not a required part of the basic financial statement, however are required to be presented under the provisions of the Kansas Municipal Audit and Accounting Guide. The accompany schedule of expenditures of federal awards is presented for purposes of additional analysis as required but U.S Office of Management and Budget "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards at 2 CFR 200 (Uniform Guidance) and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statement. The information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statement or to the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statement as a whole, on the basis of accounting described in Note 1.

Total Reporting Entity

The notes to the financial statements are an integral part of this statement.

#### NOTES TO FINANCIAL STATEMENTS

#### NOTE 1 - Summary of Significant Accounting Policies

#### **Financial Reporting Entity**

USD No. 232 is a municipal corporation governed by an elected seven member board. The district as an entity has been defined to include, on a combined basis, (a) USD No. 232 (b) organizations for which USD No. 232 is financially accountable, and (c) other organizations for which the nature and significance of their relationship with USD No.232 are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete. There are currently no organizations which meet the foregoing criteria for being combined in the District's report.

#### **Fund Descriptions**

In governmental accounting, a fund is defined as an independent fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions or limitations.

The following types of funds comprise the financial activities of the District for the year 2018:

#### **Governmental Funds**

<u>General Fund</u>— The chief operating fund. Used to account for the resources except those required to be accounted for in another fund.

<u>Special Purpose Funds</u> – Used to account for the proceeds of specific tax levies and other specific revenue sources (other than Capital Project and tax levies for long term debt) that are intended for specified purposes.

**Bond and Interest Funds** – Used to account for the accumulation of resources, including tax levies, transfers form other funds and payment of general long-term debt.

<u>Capital Project Funds</u> – used to account for the debt proceeds and other financial resources to be used for acquisition or construction of major capital facilities or equipment.

#### NOTES TO FINANCIAL STATEMENTS

#### NOTE 1 – Summary of Significant Accounting Policies (Continued)

#### **Fiduciary Funds**

<u>Agency Funds</u> – Funds used to report assets held by the municipal reporting entity in a purely custodial capacity (payroll clearing fund, activity accounts, etc.).

## Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America

The KMAAG regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis receipts and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The municipality has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the municipality to use the regulatory basis of accounting.

#### **Reimbursed Expenses**

Reimbursed expenses are defined as repayments of amounts remitted on behalf of another party.

All reimbursed expenses shown in the financial statements meet the following criteria: 1) the related disbursement was made in the current year on behalf of the payee, 2) the item paid for was directly identifiable as having been used by or provided to the payee, and 3) the amount of the reimbursed expense was directly tied to the amount of the original cash disbursement.

#### NOTES TO FINANCIAL STATEMENTS

#### NOTE 1 – Summary of Significant Accounting Policies (Continued)

#### **Budgetary Information**

Kansas Statutes require that an annual operating budget be legally adopted for the general fund, special purpose funds (unless specifically exempted by statute), bond and interest funds, and business funds. Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

- 1. Preparation of the budget for the succeeding calendar year on or before August 1<sup>st</sup>.
- 2. Publication in local newspaper of the proposed budget and notice of public hearing on the budget on or before August 5<sup>th</sup>.
- 3. Public hearing on or before August 15<sup>th</sup>, but at least ten days after publication of notice of hearing.
- 4. Adoption of the final budget on or before August 25<sup>th</sup>.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in regulatory receipts other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication, the hearing may be held and the governing body may amend the budget at that time. There were no budget amendments for the year 2018.

The statutes permit transferring budgeted amounts between accounts within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison schedules are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which regulatory receipts are recognized when cash is received. Expenditures include disbursements, accounts payable, and encumbrances, with disbursements being adjusted for the prior year's accounts payable and encumbrances. Encumbrances are commitments by the district for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract.

#### NOTES TO FINANCIAL STATEMENTS

#### NOTE 1 – Summary of Significant Accounting Policies (Continued)

#### **Budgetary Information (Continued)**

Any unused budgeted expenditure authority lapses at year-end.

A legal operating budget is not required for capital projects funds and trust funds and the following special purpose funds:

Textbook Student Material Fund
Contingency Reserve Fund
Title IIA Fund
Title I Fund
Title IV Fund
Special Reserve Fund
District Activity Funds

Special Reserve Fund District Activity Funds

Spending in funds which are not subject to the legal annual operating budget requirement is controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing body.

#### **Inventories and Prepaid Expenses**

Inventories and prepaid expenses which benefit future periods are recorded as expenditures.

#### **Use of Estimates**

The process of preparing financial statements requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues and expenses. Such estimates relate primarily to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimates.

#### NOTE 2 – Deposits and Investments

#### **Deposits**

As of June 30, 2018 the Municipality had the following investments and maturities.

K.S.A. 9-1401 establishes the depositories which may be used by the government. The statute requires banks eligible to hold the government's funds have a main or branch bank in the county in which the government is

#### NOTES TO FINANCIAL STATEMENTS

#### NOTE 2 – Deposits and Investments (Continued)

#### **Deposits (Continued)**

located and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The government has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the district's investments of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The district has no investment policy that would further limit its investment choices.

Investments	Fair Value	Less than 1 year	1-2	Rating U.S
Kansas Municipal Investment Pool	\$56,193,531	\$ 56,193,531		S&P AAAf/S1+

#### **Concentration of Credit Risk**

State statutes place no limit on the amount the District may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and K.S.A. 9-1405. The Municipality's allocation of investments as of June 30, 2018.

		Percentage of
Investn	<b>ent</b> s	Investments
Kansas Municipal Inve	stment Pool	100%

Custodial credit risk is the risk that in the event of a bank failure, the District's deposits may not be returned to it. State statutes require the District's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the

State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka, except during designated "peak periods" when required coverage is 50%. All deposits were legally secured at June 30, 2018.

#### NOTES TO FINANCIAL STATEMENTS

#### NOTE 2 – Deposits and Investments (Continued)

#### Custodial Credit Risk - Deposits (Continued)

At June 30, 2018, the government's carrying amount of deposits was \$ -2,346,659 and the bank balance was \$ 420,031. The bank balance was held by two banks resulting in a concentration of credit risk. Of the bank balance, \$500,000 was covered by federal depository insurance and the balance was collateralized with securities held by the pledging financial institutions' agents in the district's name.

#### Custodial Credit Risk - Investments

For an investment, this is the risk that, in the event of the failure of the issuer or counterparty, the district will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. State statutes require investments to be adequately secured.

As of June 30, 2018 the Municipality had invested \$56,193,531 in the State's municipal investment pool. The municipal investment pool is under the oversight of the Pooled Money Investment Board. The board is comprised of the State Treasurer and four additional members appointed by the State Governor. The board reports annually to the Kansas legislature. State pooled monies may be invested in direct obligations of, or obligations that are insured as to principal and interest, by the U.S. government or any agency thereof, with maturities up to four years. No more than ten percent of those funds may be invested in mortgage-backed securities. In addition, the State pool may invest in repurchase agreements with Kansas banks or with primary government securities dealers.

#### NOTE 3 - Defined Benefit Pension Plan

<u>Plan Description</u> – USD 232 participates in the Kansas Public Employees Retirement System (KPERS), a cost sharing multiple-employer defined benefit pension plan as provided by K.S.A. 74-4901, et seq. KPERS provides retirement benefits, life insurance, disability income benefits, and death benefits. Kansas law establishes and amends benefit provisions. KPERS issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained by writing to KPERS (611 S. Kansas; Topeka, KS 66603) or by calling 1-888-275-5737.

#### NOTES TO FINANCIAL STATEMENTS

#### NOTE 3 – Defined Benefit Pension Plan (continued)

Contributions – K.S.A 74-4919 and K.S.A. 74-49,210 establish the KPERS member employee contribution rates. KPERS has multiple benefit structures and contribution rates depending on whether the employee is a KPERS 1, KPERS 2, or KPERS 3 member. KPERS 1 members are active and contributing members hired before July 1, 2009. KPERS 2 members were first employed in a covered position on or after July 1, 2009, and KPERS 3 members were first employed in a covered position on or after January 1, 2015. Effective January 1, 2015 Kansas law established the KPERS member-employee contributions rate of 6% of covered salary for KPERS 1, KPERS 2, and KPERS 3 members. Member contributions are withheld by their employer and paid to KPERS according to the provisions of Section 414(h) of the Internal Revenue Code.

State law provides that the employer contribution rates for KPERS 1, KPERS 2, and KPERS 3 be determined based on results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate (not including the 1% contribution rate with a 0% moratorium for the period of July 1, 2017 through September 30, 2017 for the Death and Disability Program) was 10.81% for the fiscal year ended June 30, 2017 the actuarially determined employer contribution rate was 12.01% for the fiscal year June 30, 2018, Per 2016 House Substitute for Senate Bill 161, Section 98(a)(1), state

general fund expanded lottery act revenue funds for employer contributions to KPERS deferred. The amount deferred for school contributions was \$92,917,091 for the fiscal year ended June 30, 2016 and the anticipated repayments per SB249 for nullified per HB2052 during the year 2017

The State of Kansas contribution to KPERS for all school municipalities for the year ending June 30, 2017, received as of June 30<sup>th</sup> was \$304,596,361. Per the 2017 Senate Substitute for the House Bill 2052, Section 37(a), state general fund employer contributions to KPERS were decreased by \$64,130,234 for the fiscal year ended June 30, 2017. Section 43(17) of the bill also stipulates that repayments of the reduced contributions are to be amortized over twenty years at level dollar amount commencing in fiscal year 2018. The level dollar was computed to be \$6.4 million dollars per year.

The State of Kansas is required to contribute the statutory required employers share except for the retired District employees. The District is responsible for the employer's portion of the cost for retired District employees. The District received and remitted amounts equal to the statutory contribution rate, which totaled \$5,045,974 for the year ended June 30, 2018

#### NOTES TO FINANCIAL STATEMENTS

#### NOTE 3 - Defined Benefit Pension Plan (continued)

Net Pension Liability At June 30, 2018 the District's proportionate share of collective net pension liability reported by KPERS was \$57,903,866. The net pension liability was measured as of June 30, 2017, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2016, which was rolled forward to June 30, 2017. The Districts proportion of the net pension liability was based on the ratio of the Districts contributions to KPERS, relative to the total employer and non-employer contributions of the State/School subgroup within KPERS for the fiscal year ended June 30, 2017. Since KMAAG regulatory basis of accounting does not recognize long —term debt, this liability is not reported in these financial statements.

The complete actuarial valuation report including all actuarial assumptions and methods, and the report on the allocation of the KPERS collective net pension liability to all participating employers are publically available on the website <a href="https://www.kpers.org">www.kpers.org</a> or can be obtained as described above.

#### NOTE 4 - Risk Management

The District is exposed to various risks of loss related to limited torts; theft of, damage to and destruction of assets; errors and omissions and natural disasters for which the district carries commercial insurance. There have been no significant reductions in coverage from prior years and settlements have not exceeded coverage in the past three years.

#### NOTE 5 – Stewardship, Compliance and Accountability

We noted no violations of Kansas statutes for the period under audit.

#### **NOTE 6 – Compensated Absences**

Vacation time off with pay is available to eligible employees who work a 260 day contract. Upon employment in an eligible position and continuing through 5 consecutive years of employment, the employee is entitled to 10 vacation days each year, accrued monthly.

Beginning on the anniversary of the 6<sup>th</sup> year of employment, the employee is entitled to 15 vacation days, accrued monthly. Vacation days are noncumulative to the next year.

#### NOTES TO FINANCIAL STATEMENTS

#### NOTE 6 - Compensated Absences (continued)

The District grants all eligible employees short term leave at the rate of one day, equal to the hours worked per day, for every full month of service. In the event of termination or retirement certified employees are compensated for unused short term leave at a rate of \$40.00 per day. Classified employees, who give a two week notice of their resignation, are compensated for unused short term leave at a rate of \$20.00 per day.

#### NOTE 7 – Contingency

The District receives federal and state grants for specific purposes that are subject to review and audit by federal and state agencies. Such audits could result in a request for reimbursement by federal and state agencies for expenditures disallowed under the terms and conditions of the appropriate agency. In the opinion of the District's management, such disallowances, if any, will not be significant to the District's financial statements.

#### **NOTE 8 – Capital Projects**

On April 13, 2015, the Board of the District approved construction of the project, DeSoto High School Phase III in the amount of \$ 21,429,825 for the purpose of constructing, furnishing, and equipping DeSoto High School as well as athletic fields and other school facilities.

At year-end, capital project authorizations with approved change orders compared with expenditures from inception are as follows:

	Expenditures	Project
	To Date	<u>Authorization</u>
DeSoto High School Phase II	I \$ 21,429,825	\$ 21,429,825

#### NOTE 9 - In-Substance Receipt in Transit

The district received \$ 3,148,478 subsequent to June 30, 2018 and as required by K.S.A. 72-6417 and 72-6434 the receipt was recorded as an in-substance receipt in transit and included as a receipt for the year ended June 30, 2018.

#### NOTES TO FINANCIAL STATEMENTS

#### NOTE 10 – Subsequent Events

Subsequent events for management's review have been evaluated through October 31, 2018. The date in the prior sentence is the date the financial statements were available to be issued.

#### NOTE 11 - Related Party Transactions

The District contracts for lawn maintenance services with a company that is controlled by a Board of Education member. The District paid \$ 47,950 during the 2017-2018 school year for services from the entity owned by the board member. The board member does recuse himself regarding payments to his company.

#### NOTE 12 - Interfund Transactions

Ctatustama

#### NOTE 13 – Indebtedness

The District is subject to the statutes of the State of Kansas that limits the net bonded debt. The debt outstanding may not exceed 14% of the assessed value of all tangible taxable property within the District unless additional authority is granted by the Kansas State Board of Education. The amount of bonds outstanding is computed exclusive of certain bonds specifically exempted from this limitation. At June 30, 2018, the statutory limit for the district was \$70,287,530 thus creating excess indebtedness of \$57,827,470. The outstanding bond principal represents 25.52% of the District valuation. The District has received approval from the Kansas State Board of Education to exceed the general bond debt limitation.

#### NOTES TO FINANCIAL STATEMENTS

#### NOTE 14 – Other Post Employment Benefits

As provided by K.S.A. 12-5040, the local government allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the local government is subsidizing the retirees because each participant is charged a level of premium regardless of age. However, the cost of this subsidy has not been quantified in this financial statement.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the government makes health care available to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured. There is no cost to the government under this program.

#### NOTE 15 - Operating leases

The District has entered into a lease for Apple and Dell Computer Devices in the amount of \$ 1,871,046 over a four year period with First American Education Finance. The amount to be paid annually is \$ 467,761. The lease is considered a Fair Market Value Lease where the equipment is to be returned at the end of the lease term, or it may be purchased at fair market value or continued to be rented. The lease also has an addendum per the State of Kansas Contractual Provisions Attachment in which the District can terminate the lease due to a lack of funding appropriation.

The District has entered into a lease for Toshiba copy machines in the amount of \$ 556,700 over a five year period with First American Education Finance. The amount to be paid annually is \$ 111,340. The lease is considered a Fair Market Value Lease where the equipment is to be returned at the end of the lease term, or it may be purchased at fair market value or continued to be rented. The lease also has an addendum per the State of Kansas Contractual Provisions Attachment in which the District can terminate the lease due to a lack of funding appropriation.

Board of Education Unified School District No. 232 DeSoto, Kansas

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements and the related notes to the financial statements of Unified School District No. 232 as of and for the year ended June 30, 2018 and have issued our report thereon dated October 31, 2018.

The report on the audited financial statement was adverse because it was not presented in conformity with accounting principles generally accepted in the United States of America; however, it was unmodified as presented on a prescribed basis of accounting that demonstrates compliance with the cash basis and budget laws of the State of Kansas, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

#### Internal Control Over Financial Reporting

In planning and performing our audit of the financial statement, we considered Unified School District No. 232, DeSoto, Kansas' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Unified School District No. 232, DeSoto, Kansas' internal control. Accordingly, we do not express an opinion on the effectiveness of Unified School District No. 232, DeSoto, Kansas' internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the organization's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified. We identified certain deficiencies in internal control described in the accompanying schedule of findings and questioned costs that we consider to be significant deficiencies (2018-001).

#### Compliance and Other Matters

As part of obtaining reasonable assurance about whether Unified School District No. 232's financial statement is free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statements amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### District's Response to Findings

The District's response to the findings identified in our audit is described in the Corrective Action Plan. The District's response was not subjected to the auditing procedures applied in the audit of the financial statement, and accordingly we express no opinion on it.

#### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Board of Education Unified School District No. 232 DeSoto, Kansas

## INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

#### Report on Compliance for Each Major Federal Program

We have audited United School District No. 232's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the United School District No. 232's major federal programs for the year ended June 30, 2018. United School District No. 232's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

#### Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

#### Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the United School District No. 232's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the United School District No. 232's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the United School District No. 232's compliance.

#### Opinion on Each Major Federal Program

In our opinion, the United School District No. 232, complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2018.

#### **Other Matters**

The results of our auditing procedures disclosed instances of noncompliance which are required to be reported in accordance with the Uniform Guidance and which are described in the accompanying schedule of findings and questioned costs as items 2018-001. Our opinion on each major federal program is not modified with respect to these matters.

United School District No. 232's response to the noncompliance findings identified in our audit is described in the accompanying schedule of findings and questioned costs. United School District No. 232's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

#### Report on Internal Control over Compliance

Management of the United School District No. 232, is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the United School District No. 232's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the United School District No. 232's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

No findings of noncompliance or questioned costs were noted.

#### UNFIED SCHOOL DISTRICT NO. 232 Schedule of Findings and Questioned Costs Year Ended June 30, 2018

#### 2017-001 Financial Reporting

Criteria – All school districts are required to prepare financial statements in accordance with the basis of accounting adopted. This is a responsibility of the District's management. The preparation of financial statements requires internal controls over both (1) recording, processing, and summarizing accounting data (i.e., maintaining internal books and records), and (2) reporting government-wide and fund financial statements, including note disclosures (i.e., external financial reporting).

Condition – As in the case with many smaller and medium sized entities, the District has historically relied on its independent external auditors to assist in the preparation of the government-wide fund and fund financial statements, including note disclosures, as part of the external financial reporting process. Accordingly, the District's ability to prepare financial statements is based, in part, on its external auditors, who cannot by definition be considered a part of the District's internal controls financial reporting.

Cause – Management has made the decision that it is in their best interest to outsource the preparation of its annual financial statements to the external auditors rather than incur the time and expense of obtaining the necessary training and expertise require for the district to perform this task internally.

Effect of Condition – As a result of this condition, the District lacks internal controls over the preparation of financial statements, including note disclosures, in accordance with the basis of accounting adopted, and instead relies, in part, on its external auditors for assistance with this task.

**Recommendation** — we recognize that the district may not have the resources to have an accounting personnel to prepare government — wide and fund financial statements, including note disclosures, in conformity with the adopted basis of accounting. However, we recommend that management continue to increase their knowledge of financial reporting.

View of Responsible Officials – The District has evaluated the benefit of establishing internal controls over the preparation of financial statements, including note disclosures, and determined that it is their best of the District to outsource this task to its external auditors, and to carefully review the draft financial statements, including note disclosures, prior to approving them and accepting responsibility for their content and preservation.

Management's Response (Unaudited) – The district believes that outsourcing the financial statement presentation is acceptable in the circumstances.

#### UNFIED SCHOOL DISTRICT NO. 232 Schedule of Findings and Questioned Costs Year Ended June 30, 2018

#### 2018-001 Financial Reporting

Criteria – All school districts are required to prepare financial statements in accordance with the basis of accounting adopted. This is a responsibility of the District's management. The preparation of financial statements requires internal controls over both (1) recording, processing, and summarizing accounting data (i.e., maintaining internal books and records), and (2) reporting government-wide and fund financial statements, including note disclosures (i.e., external financial reporting).

**Condition** – As in the case with many smaller and medium sized entities, the District has historically relied on its independent external auditors to assist in the preparation of the government-wide fund and fund financial statements, including note disclosures, as part of the external financial reporting process. Accordingly, the District's ability to prepare financial statements is based, in part, on its external auditors, who cannot by definition be considered a part of the District's internal controls financial reporting.

Cause – Management has made the decision that it is in their best interest to outsource the preparation of its annual financial statements to the external auditors rather than incur the time and expense of obtaining the necessary training and expertise require for the district to perform this task internally.

*Effect of Condition* – As a result of this condition, the District lacks internal controls over the preparation of financial statements, including note disclosures, in accordance with the basis of accounting adopted, and instead relies, in part, on its external auditors for assistance with this task.

**Recommendation** — we recognize that the district may not have the resources to have an accounting personnel to prepare government — wide and fund financial statements, including note disclosures, in conformity with the adopted basis of accounting. Management's Response (Unaudited) – The district believes that outsourcing the financial statement presentation is acceptable in the circumstances.

#### UNIFIED SCHOOL DISTRICT NO. 232 DeSoto, Kansas

### NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS June 30, 2018

#### NOTE 1 - Basis of Accounting

The accompanying schedule of expenditures of federal awards (the schedule) includes the federal grant activity of Unified School District No. 232 under programs of the federal government for the year ended June 30, 2018. The information in this schedule is presented in accordance with the requirements Title 2 U.S. Code of federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principal, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the schedule presents only a select portion of the operations of Unified School District No. 232, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Unified School District No. 232.

#### NOTE 2 - Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on a regulatory basis of accounting as described in the Kansas Municipal Audit and Accounting Guide (KMAAG). The KMAAG regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis revenues and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligations against cash. The KMAAG regulatory basis does not recognize capital assets, long term debt assignment to a fund, accrued receivables and payables, or any other assets, liabilities, or deferred inflows or outflows, other than mentioned above. Expenditures as reported on the Schedule are recognized under the basis described above and follow the cost principles contained in the Uniform Guidance regarding Cost Principles where in certain types of expenditures are not allowed or are limited as to reimbursement. Negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years. Pass-through entity identifying numbers are presented where available.

#### UNIFIED SCHOOL DISTRICT NO. 232 DeSoto, Kansas

### NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS June 30, 2018

#### NOTE 3 - Indirect Costs

Unified School District No 232 has elected not to use the 10 percent de minimis indirect cost rate allowed under uniform guidance.
